Items in uppercase (e.g. **PHOSPHATES**) refer to food additive groups.

## GSFA Table 3 Provisions

The following additives, as indicated by **Table 3**, may be used in this food category under the conditions of good manufacturing practice (GMP) as outlined in the Preamble of the Codex GSFA.

| INS No. | Food Additive or Group                   | Acceptable in Foods Conforming to the Following Commodity Standards                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
