

## GSFA Online

Updated up to the 48<sup>th</sup> Session of the Codex Alimentarius Commission (2025)

### FOOD CATEGORY DETAILS

#### Other sugars and syrups (e.g. xylose, maple syrup, sugar toppings) (11.4)

##### Description:

Includes all types of table syrups (e.g. maple syrup), syrups for fine bakery wares and ices (e.g. caramel syrup, flavoured syrups), and decorative sugar toppings (e.g. coloured sugar crystals for cookies).

This page provides information on the food additive provisions that are acceptable for use in foods conforming to the food category.

This food category is listed in the **Annex to Table 3**. Unless specifically indicated below, food additive provisions implied by **Table 3** do not automatically apply to this category.

#### GSFA Provisions for Food Category 11.4
