#### GSFA Provisions for Canthaxanthin

| Number   | Food Category                                                                                                                       | Max Level | Notes                         |
|----------|-------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------------------------|
| 14.2.7   | Aromatized alcoholic beverages (e.g. beer, wine and spirituous cooler-type beverages, low alcoholic refreshers)                     | 5 mg/kg   |                               |
| 14.1.4.1 | Carbonated water-based flavoured drinks                                                                                             | 5 mg/kg   |                               |
| 06.5     | Cereal and starch based desserts (e.g. rice pudding, tapioca pudding)                                                               | 15 mg/kg  |                               |
| 01.6.5   | Cheese analogues                                                                                                                    | 15 mg/kg  |                               |
| 14.1.4.3 | Concentrates (liquid or solid) for water-based flavoured drinks                                                                     | 5 mg/kg   | Note 127                      |
| 08.3.1.1 | Cured (including salted) non-heat treated processed comminuted meat, poultry, and game products                                     | 100 mg/kg | Note 4<br>Note 16<br>Note 118 |
| 01.7     | Dairy-based desserts (e.g. pudding, fruit or flavoured yoghurt)                                                                     | 15 mg/kg  | Note XS243                    |
| 14.2.6   | Distilled spirituous beverages containing more than 15% alcohol                                                                     | 5 mg/kg   |                               |
| 06.4.2   | Dried pastas and noodles and like products                                                                                          | 15 mg/kg  | Note 211                      |
| 04.2.2.2 | Dried vegetables (including mushrooms and fungi, roots and tubers, pulses and legumes, and aloe vera), seaweeds, and nuts and seeds | 10 mg/kg  | Note XS323R                   |
| 10.4     | Egg-based desserts (e.g. custard)                                                                                                   | 15 mg/kg  |                               |
| 02.3     | Fat emulsions mainly of type oil-in-water, including mixed and/or flavoured products based on fat emulsions                         | 15 mg/kg  |                               |
| 02.2.2   | Fat spreads, dairy fat spreads and blended spreads                                                                                  | 15 mg/kg  | Note XS256<br>Note XS253      |
| 02.4     | Fat-based desserts excluding dairy-based dessert products of food category 01.7                                                     | 15 mg/kg  |                               |
| 01.1.4   | Flavoured fluid milk drinks                                                                                                         | 15 mg/kg  | Note XS243<br>Note 52         |
| 01.6.4.2 | Flavoured processed cheese, including containing fruit, vegetables, meat, etc.                                                      | 15 mg/kg  |                               |
| 10.1     | Fresh eggs                                                                                                                          | GMP       | Note 4                        |

| Number    | Food Category                                                                                                           | Max Level | Notes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|-----------|-------------------------------------------------------------------------------------------------------------------------|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 09.2.1    | Frozen fish, fish fillets, and fish products, including mollusks, crustaceans, and echinoderms                          | 35 mg/kg  | <a href="#">Note 95</a><br><a href="#">Note XS312</a><br><a href="#">Note XS36</a><br><a href="#">Note XS95</a><br><a href="#">Note XS165</a><br><a href="#">Note XS315</a><br><a href="#">Note XS292</a><br><a href="#">Note XS92</a><br><a href="#">Note XS191</a><br><a href="#">Note XS190</a>                                                                                                                                                                                                                       |
| 04.1.2.11 | Fruit fillings for pastries                                                                                             | 15 mg/kg  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 04.1.2.9  | Fruit-based desserts, including fruit-flavoured water-based desserts                                                    | 15 mg/kg  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 04.1.2.6  | Fruit-based spreads (e.g. chutney) excluding products of food category 04.1.2.5                                         | 15 mg/kg  | <a href="#">Note XS160</a>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| 09.4      | Fully preserved, including canned or fermented fish and fish products, including mollusks, crustaceans, and echinoderms | 15 mg/kg  | <a href="#">Note XS37</a><br><a href="#">Note XS94</a><br><a href="#">Note XS90</a><br><a href="#">Note XS70</a><br><a href="#">Note XS3</a><br><a href="#">Note XS119</a>                                                                                                                                                                                                                                                                                                                                               |
| 04.1.2.5  | Jams, jellies, marmelades                                                                                               | 200 mg/kg | <a href="#">Note XS296</a>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
