#### GSFA Provisions for Maltol

| Number | Food Category                                                                                             | Max Level | Notes              |
|--------|-----------------------------------------------------------------------------------------------------------|-----------|--------------------|
| 05.3   | Chewing gum                                                                                               | 200 mg/kg |                    |
| 05.2   | Confectionery including hard and soft candy, nougats, etc. other than food categories 05.1, 05.3 and 05.4 | 200 mg/kg | <b>Note XS309R</b> |
| 01.7   | Dairy-based desserts (e.g. pudding, fruit or flavoured yoghurt)                                           | 200 mg/kg | <b>Note 616</b>    |
| 03.0   | Edible ices, including sherbet and sorbet                                                                 | 200 mg/kg |                    |
| 01.1.4 | Flavoured fluid milk drinks                                                                               | GMP       | <b>Note 634</b>    |

Note: Unless otherwise specified, food additive provisions apply to the food category indicated (e.g. Dairy), as well as to all subcategories of that category (e.g. Cheese, Ripened Cheese, etc.).
