#### GSFA Provisions for Lactitol

| Number | Food Category                                                      | Max Level | Notes                              |
|--------|--------------------------------------------------------------------|-----------|------------------------------------|
| 11.4   | Other sugars and syrups (e.g. xylose, maple syrup, sugar toppings) | GMP       | <b>Note 477</b><br><b>Note 258</b> |
| 12.2.2 | Seasonings and condiments                                          | GMP       | <b>Note 477</b>                    |

Note: Unless otherwise specified, food additive provisions apply to the food category indicated (e.g. Dairy), as well as to all subcategories of that category (e.g. Cheese, Ripened Cheese, etc.).

#### GSFA Table 3 Provisions

**Lactitol** is a food additive that is included in **Table 3**, and as such may be used in the following foods under the conditions of good manufacturing practices (GMP) as outlined in the Preamble of the Codex GSFA. Although not listed below, Lactitol could also be used in heat-treated butter milk of food category 01.1.1 and spices of food category 12.2.1. Note that food categories listed in the **Annex to Table 3** were excluded accordingly. **Lactitol** is acceptable in foods conforming to the following commodity standards: CS 87-1981, CS 105-1981.

**Lactitol** is a: Emulsifier, Stabilizer, Thickener

Any Emulsifier listed in Table 3 can be acceptable for use in all products conforming to CS 117-1981, CS 309R-2011, CS 256-2007.

Any Stabilizer listed in Table 3 can be acceptable for use in all products conforming to CS 117-1981.

Any Thickener listed in Table 3 can be acceptable for use in all products conforming to CS 117-1981, CS 256-2007, CS 306-2011.

| Number | Food Category                                                   |
|--------|-----------------------------------------------------------------|
| 01.1.4 | Flavoured fluid milk drinks                                     |
| 01.3   | Condensed milk and analogues (plain)                            |
| 01.4.3 | Clotted cream (plain)                                           |
| 01.4.4 | Cream analogues                                                 |
| 01.5   | Milk powder and cream powder and powder analogues (plain)       |
| 01.6.1 | Unripened cheese                                                |
| 01.6.2 | Ripened cheese                                                  |
| 01.6.4 | Processed cheese                                                |
| 01.6.5 | Cheese analogues                                                |
| 01.7   | Dairy-based desserts (e.g. pudding, fruit or flavoured yoghurt) |

| Number ▼                                                                                  | Food Category ▼                                                                                                                                                                                                                             |
|-------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  01.8.1   | Liquid whey and whey products, excluding whey cheeses                                                                                                                                                                                       |
|  02.2.2   | Fat spreads, dairy fat spreads and blended spreads                                                                                                                                                                                          |
|  02.3     | Fat emulsions mainly of type oil-in-water, including mixed and/or flavoured products based on fat emulsions                                                                                                                                 |
|  02.4     | Fat-based desserts excluding dairy-based dessert products of food category 01.7                                                                                                                                                             |
|  03.0     | Edible ices, including sherbet and sorbet                                                                                                                                                                                                   |
|  04.1.2   | Processed fruit                                                                                                                                                                                                                             |
|  04.2.2.2 | Dried vegetables (including mushrooms and fungi, roots and tubers, pulses and legumes, and aloe vera), seaweeds, and nuts and seeds                                                                                                         |
|  04.2.2.3 | Vegetables (including mushrooms and fungi, roots and tubers, pulses and legumes, and aloe vera), and seaweeds in vinegar, oil, brine, or soybean sauce                                                                                      |
|  04.2.2.4 | Canned or bottled (pasteurized) or retort pouch vegetables (including mushrooms and fungi, roots and tubers, pulses and legumes, and aloe vera), and seaweeds                                                                               |
|  04.2.2.5 | Vegetable (including mushrooms and fungi, roots and tubers, pulses and legumes, and aloe vera), seaweed, and nut and seed purees and spreads (e.g., peanut butter)                                                                          |
|  04.2.2.6 | Vegetable (including mushrooms and fungi, roots and tubers, pulses and legumes, and aloe vera), seaweed, and nut and seed pulps and preparations (e.g. vegetable desserts and sauces, candied vegetables) other than food category 04.2.2.5 |
|  04.2.2.8 | Cooked or fried vegetables (including mushrooms and fungi, roots and tubers, pulses and legumes, and aloe vera), and seaweeds                                                                                                               |
|  05.0     | Confectionery                                                                                                                                                                                                                               |
|  06.3     | Breakfast cereals, including rolled oats                                                                                                                                                                                                    |
|  06.4.3   | Pre-cooked pastas and noodles and like products                                                                                                                                                                                             |
|  06.5     | Cereal and starch based desserts (e.g. rice pudding, tapioca pudding)                                                                                                                                                                       |
|  06.6     | Batters (e.g. for breading or batters for fish or poultry)                                                                                                                                                                                  |
|  06.7     | Pre-cooked or processed rice products, including rice cakes (Oriental type only)                                                                                                                                                            |
|  06.8     | Soybean products (excluding soybean-based seasonings and condiments of food category 12.9)                                                                                                                                                  |
|  07.0     | Bakery wares                                                                                                                                                                                                                                |
|  08.2     | Processed meat, poultry, and game products in whole pieces or cuts                                                                                                                                                                          |
|  08.3    | Processed comminuted meat, poultry, and game products                                                                                                                                                                                       |
|  08.4   | Edible casings (e.g. sausage casings)                                                                                                                                                                                                       |
|  09.3   | Semi-preserved fish and fish products, including mollusks, crustaceans, and echinoderms                                                                                                                                                     |
|  09.4   | Fully preserved, including canned or fermented fish and fish products, including mollusks, crustaceans, and echinoderms                                                                                                                     |
|  10.2.3 | Dried and/or heat coagulated egg products                                                                                                                                                                                                   |
|  10.3   | Preserved eggs, including alkaline, salted, and canned eggs                                                                                                                                                                                 |
|  10.4   | Egg-based desserts (e.g. custard)                                                                                                                                                                                                           |
|  11.6   | Table-top sweeteners, including those containing high-intensity sweeteners                                                                                                                                                                  |
|  12.2.2 | Seasonings and condiments                                                                                                                                                                                                                   |
|  12.3   | Vinegars                                                                                                                                                                                                                                    |
|  12.4   | Mustards                                                                                                                                                                                                                                    |
|  12.5   | Soups and broths                                                                                                                                                                                                                            |
